this book challenges traditional organizational theory looking to representations of work and organizations within popular culture and the ways in which these institutions have also been conceptualized and critiqued there through a series of essays rhodes and westwood examine popular culture as a compelling and critical arena in which the complex and contradictory relations that people have with the organizations in which they work are played out by articulating the knowledge in popular culture with that in theory they provide new avenues for understanding work organizations as the dominant institutions in contemporary society rhodes and westwood provide a critical review of how organizations are represented in various examples of contemporary popular culture the book demonstrates how popular culture can be read as an embodiment of

knowledge about organizations often more compelling than those common to theory and explores the critical potential of such knowledge and the way in which popular culture can reflect on the spirit of resistance carnivalisation and rebellion

winner of the christian gauss award for excellence in literary scholarship from the phi beta kappa society having excavated the world's earliest novels in his previous book literary historian steven moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800 from don quixote to america's first big novel an homage to cervantes entitled modern chivalry this is the period of such classic novels as tom jones candide and dangerous liaisons but beyond the dozen or so recognized classics there are hundreds of other interesting novels that appeared then known only to specialists spanish picaresques french heroic romances massive chinese novels japanese graphic novels eccentric english novels and the earliest american novels these minor novels are not only interesting in their own right but also provide the context needed to appreciate why the major novels were major breakthroughs the novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres epistolary novels romances gothic thrillers novels in verse parodies science fiction episodic road trips and family sagas along with quirky unclassifiable experiments in fiction that resemble contemporary avant garde works as in his previous volume moore privileges the innovators and outriders those who kept the novel novel in the most comprehensive history of this period ever written moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative though written for a general audience the novel an alternative history also provides the scholarly apparatus required by the serious student of the period this sequel like its predecessor is a zestfully encyclopedic avidly opinionated and dazzlingly fresh history of the most elastic of literary forms booklist

the art of instruction essays on pedagogy and literature in 17th century france aims to add a new dimension to the scholarly discussion on how culture is inculcated by focusing on the interplay between aesthetic forms and pedagogical agendas the nine essays in the collection take into account the full range of meanings associated with the term art science method learning beautiful expression artistic creation in exploring the role art plays in shaping an instructional system the volume's contributors examine literary genres that are both established comedies tragedies sonnets and nascent novels manuals gazettes as well as the works of a diverse group of seventeenth century writers chassaignet subligny scarron lafayette la bruyère maintenon de visé boursault molière and racine what emerges from this diversity is an invaluable exploration of how educational imperatives no matter their focus rely as much on manipulating artistic forms as they do on articulating didactic principles broad in its scope while remaining thematically coherent the art of instruction will be of interest to students and scholars of early modern french literature history culture and pedagogy
